## Australian Government Increases Asset Write-Off Threshold

The instant asset write-off threshold has been increased from \$30,000 to \$150,000 and expanded access to include businesses with aggregated annual turnover of less than \$500 million (up from \$50 million). This applies from 12 March 2020 until 30 June 2020, for new or second hand assets first used or installed ready for use in this timeframe.
