WE APPRECIATE YOUR BUSINESS!

Congratulations on your new CIGWELD product. We are proud to have you as our customer and will strive to provide you with the best service and reliability in the industry. This product is backed by our extensive warranty and world-wide service network.

We have made every effort to provide you with accurate instructions, drawings, and photographs of the product(s) while writing this catalogue. However errors do occur and we apologize if there are any contained in this catalogue.

Due to our constant effort to bring you the best products, we may make an improvement that does not get reflected in the catalogue. If you are ever in doubt about what you see or read in this catalogue with the product you received, then check for a newer version of the catalogue on our website or contact our customer support for assistance.

YOU ARE IN GOOD COMPANY!

The Brand of Choice for Contractors and Fabricators Worldwide.

CIGWELD is a Market Leading Brand of Arc Welding Products for ESAB. We are a mainline supplier to major welding industry sectors in the Asia Pacific and emerging global markets including; Manufacturing, Construction, Mining, Automotive, Engineering, Rural and DIY.

We distinguish ourselves from our competition through market-leading, dependable products that have stood the test of time. We pride ourselves on technical innovation, competitive prices, excellent delivery, superior customer service and technical support, together with excellence in sales and marketing expertise.

Above all, we are committed to develop technologically advanced products to achieve a safer working environment for industry operators.

CIGWELD/ESAB ARE MARKET LEADERS OF CUTTING AND WELDING PRODUCTS AROUND THE WORLD, AND ARE PART OF A HISTORIC COMPANY WHICH WAS FIRST FOUNDED IN AUSTRALIA IN 1922.

Our mission is to solve end user problems with branded solutions in niche cutting, welding and gas control

At CIGWELD – An ESAB Brand, we consider ourselves to be a customer-focused organisation, who's business is reliant on the satisfaction of our distributors and end-users, not only with our product range but also with the technical support, and after-sales care we provide. We not only back the quality of our products with a peace-of-mind warranty* but most importantly we support our complex portfolio with a full team of area managers, customer care representatives and technical support staff, who strive to be the best in the industry and always listen closely to our customer's needs.

It is our job to be the welding & cutting professionals, so we pride ourselves on the years of knowledge and experience within our customer care department, and the helpful / “can-do” attitude of our employees who's goal is to make it easy for you to do business with us.

You can contact our customer care staff or technical support professionals on 1300 654 674 between 8am – 5pm Monday to Friday (AEST)

Our Mission

“To solve end user problems with branded solutions in niche cutting, welding and gas control”.

In a commitment to this mission our aim is to react on the feedback and information we get from our customers to ensure we are in touch with industry demands, and our end-users needs.
