ARCMaster XC10P FIXED SHADE: 11

PASSIVE WELDING HELMET
VIEWING AREA 110mm x 90mm = 99mm²

EVERYDAY ESSENTIAL

The ARCMaster XC10P Fixed Shade is a reliable, no-fuss welding helmet built for simplicity and durability. Featuring a lightweight, high impact-rated shell and a fixed shade lens, it delivers consistent protection. The flip-front design with a high impact-rated grinding lens adds everyday versatility, making it ideal for basic welding tasks. A dependable choice for apprentices and DIY welders, the XC10 Fixed Shade offers straightforward performance backed by CIGWELD's trusted design.

FEATURES

- High-impact rating for grinding to AS/NZS: 1337:1
- Comes fitted with fixed shade 11 filter
- Flip-n-Nod design for easily switching between welding and grinding
- Magnification Frame (can be fitted with an optional CIGWELD magnification lens)
- Suitable for MIG, STICK, and Grinding applications
- Positive lock-up head harness mechanism
- Lightweight: 400g
