# SAFE CASES

ArcLocker Safe Cases provide a strong, portable, and reliable way to keep your gear safe. Built for tough conditions, these safe cases ensure protection from impact, dust and water. They feature a pressure relief valve for easy opening, impact resistant material, and safety against extreme temperatures and chemicals—making them a dependable choice wherever you go.

# STORAGE TUBES

Keep your filler metals protected, organised, and ready for use with the ArcLocker Storage Tubes. Designed for safe transport and reliable on-site handling, these durable tubes shield electrodes, TIG rods, and tungstens from moisture, contamination, and damage. ArcLocker ensures your filler metals stay in optimal condition, helping you maintain quality and consistency in every weld.

## TIG ROD STORAGE TUBES

| P/N:   | DESCRIPTION          | SUITABLE LENGTH | WEIGHT CAPACITY |
|--------|----------------------|-----------------|-----------------|
| 457553 | TIG Rod Storage Tube | Up to 1000mm    | Up to 5kg       |

| P/N:   | DESCRIPTION          | SUITABLE LENGTH | WEIGHT CAPACITY |
|--------|----------------------|-----------------|-----------------|
| 457554 | TIG Rod Storage Tube | Up to 500mm     | Up to 1kg       |

ELECTRODE STORAGE TUBES

| P/N:   | DESCRIPTION            | SUITABLE LENGTH | WEIGHT CAPACITY |
|--------|------------------------|-----------------|-----------------|
| 457555 | Electrode Storage Tube | Up to 350mm     | Up to 1kg       |

| P/N:   | DESCRIPTION            | SUITABLE LENGTH | WEIGHT CAPACITY |
|--------|------------------------|-----------------|-----------------|
| 457556 | Electrode Storage Tube | Up to 350mm     | Up to 5kg       |

| P/N:   | DESCRIPTION            | SUITABLE LENGTH | WEIGHT CAPACITY |
|--------|------------------------|-----------------|-----------------|
| 457557 | Electrode Storage Tube | Up to 450mm     | Up to 1kg       |

| P/N:   | DESCRIPTION            | SUITABLE LENGTH | WEIGHT CAPACITY |
|--------|------------------------|-----------------|-----------------|
| 457558 | Electrode Storage Tube | Up to 450mm     | Up to 5kg       |

TUNGSTEN STORAGE TUBES

| P/N:   | DESCRIPTION                                    | SUITABLE LENGTH |
|--------|------------------------------------------------|-----------------|
| 457559 | Tungsten Storage Tube for Thoriated (Red)      | 150mm           |
| 457560 | Tungsten Storage Tube for Lanthanated (Gold)   | 150mm           |
| 457561 | Tungsten Storage Tube for Rare Earth (Purple)  | 150mm           |
| 457562 | Tungsten Storage Tube for Ziroconiated (White) | 150mm           |
| 457563 | Tungsten Storage Tube for Thoriated (Red)      | 175mm           |
| 457564 | Tungsten Storage Tube for Lanthanated (Gold)   | 175mm           |
| 457565 | Tungsten Storage Tube for Rare Earth (Purple)  | 175mm           |
| 457566 | Tungsten Storage Tube for Ziroconiated (White) | 175mm           |

**Prevents Tungsten Fracture**  
Durable aluminium construction protects electrodes from bending and breakage during transport

**Three-Piece Modular Design**  
To easily separate and organise various tungsten types & sizes

**Compact & Portable**  
Slim lightweight design with integrated hanging loop for easy storage and accessibility

**Secure Threaded Closure**  
Precision screw-fit sections with seals to keep contents safely contained and moisture free

# MACHINE COVERS

ArcLocker Premium Machine Covers are designed for complete protection in even the toughest workshop environments. Made from flame retardant 1000 denier tarpaulin, this cover shields your equipment from dust, debris, moisture, and molten splash, keeping your machine in peak condition. Whether in a fabrication shop or on-site workspace, it offers a simple and effective solution to protect valuable welding assets.

| P/N:   | DESCRIPTION               | SIZE (L x W x H)           |
|--------|---------------------------|----------------------------|
| 457580 | Small Machine Cover       | 550 x 200 x 320mm          |
| 457581 | Medium Machine Cover      | 650 x 230 x 400mm + 250mm* |
| 457583 | Large Machine Cover       | 750 x 280 x 500mm + 275mm* |
| 457585 | Extra Large Machine Cover | 1000 x 540 x 1200mm        |

NOTE:

\*Includes press stud cover extender for higher units or units fitted with a water cooler
